3. Minister of Water Stewardship Scholarship for International Studies

Eligibility: Manitoba Water Stewardship has established an annual scholarship at the University of Manitoba, to assist graduate students in Manitoba to pursue studies and undertake research in water-related issues in Israel. Established as part of a larger cooperative initiative on water management between Manitoba and Israel, the goal of the award is to strengthen international co-operation and support scholarly development on a range of water resource issues as well as offering young Manitobans a unique international experience. One scholarship up to \$25,000 (CDN) will be offered to a graduate student who:

- is a Canadian citizen or Permanent Resident (i.e. landed immigrant) and holds an undergraduate degree in a relevant subject area; preference will be given to a graduate of a post-secondary institution in Manitoba who demonstrates the intention of returning to Manitoba upon completion of their studies;
- is enrolled full-time in the Faculty of Graduate Studies in a Masters or Doctoral program;
- has achieved a minimum degree grade point average of 3.0 (or equivalent) based on the last 60 credit hours of study;
- is undertaking, has proposed, or is willing to undertake thesis research in Israel related to the management of water resources and has demonstrated a commitment to international co-operation in the field of water management;
- spends a minimum of 4 months in Israel during the first two years of the award (* 2008-2009 and 2009-2010 [September to August]) and who spends a minimum of 6 months in Israel in subsequent years that the award is offered.

The Scholarship is renewable for one year provided that the recipient:

- continues to be registered full-time in the Faculty of Graduate Studies, in a Masters or Doctoral program;

- has maintained a minimum degree grade point average of 3.0 (or equivalent) based on the last 60 credit hours of study;
- is in good standing in his or her degree program. *The current competition is for the 2010-2011 academic year. Only one recipient may hold the Scholarship at any one time. Recipients may hold the Minister of Water Stewardship Scholarship for International Studies concurrently with any other award, consistent with policies in the Faculty of Graduate Studies.

Possible Award: Up to \$25,000

Application Process: The deadline for 2010 has been extended to **July 9, 2010** Candidates will be required to submit the following:

- Academic transcripts from all post secondary institutions attended. For UofM grades, a Student History from the Registrar's Office is acceptable, photocopies and web printouts are not accepted; for grades other than those obtained at the UofM, a certified copy of the transcript made by the applicant's department and submitted in an endorsed envelope is accepted;
- two academic letters of reference from professors at a post-secondary institution, one of which must be from the student's academic advisor at the University of Manitoba;
- a proposed research and study plan (maximum 1,500 words) that describes the field of study and the proposed research, including its applicability to water management in Manitoba. The selection committee will be named by the Dean of the Faculty of Graduate Studies and will include a representative of Manitoba Water Stewardship. The Province of Manitoba will reserve the right to publish the names and pictures of Scholarship recipients.

Applications must be submitted no later than the deadline date to: Faculty of Graduate Studies, Attn: Enza Pohl, 500 University Centre, University of Manitoba, Winnipeg MB, R3T 2N2
